

Welcome the cranberry harvest this fall at Hydrosipa with cranberry inspired treatments for the whole month of October!

Sip cranberry cinnamon cider, taste local cranberry treats and re-hydrate with luxurious treatments; lounge in the aromatherapy steam room, whirlpool or sauna.

Cranberry Sugar Scrub

Visitors to Hydrosipa this fall will benefit from the antioxidant qualities of the Muskoka cranberry. Relax with aromatic cranberry-infused essential oils and a natural plant extract bath followed by a full body cranberry sugar scrub. This treatment is sure to re-hydrate and improve skin texture.

Antioxidant Enriching Cranberry Ritual

The cranberry is well known for its anti-aging and healing properties. This autumn, Hydrosipa celebrates the Muskoka cranberry harvest. Therapeutic cranberry-infused essential oils and natural plant extracts enhance the effect of a customized light-pressure massage for the primary purpose of stress relief. This is followed by a nourishing express facial to reveal a healthy, glowing complexion for fall.
